TrueChoicePack is a

Total Solutions Provider

Materials used to make our products range from **eco-friendly, compostable** materials to **traditional paper** and **plastics**.

We Are
Proud
to Serve Over
5000 Retail
Locations
Across the
United States

Progress®

Progress is an innovative and high-quality line of dependable, essential and traditional products. The Progress brand takes a no-nonsense stance, as its products embody advancement and dependability for consumers. Our leading line of products are beneficial for use across all industries including but not limited to hospitals, emergency care centers, offices, schools, homes, daycares and more. Our products are designed and manufactured with the end consumer in mind and were created to enhance the everyday life. Progress products are easy to use, mindful and innovative – making progression a way of life.

AWARDS

Progress Lawn & Leaf Bags Win Dual Industry Recognition 2024 For Innovation And Sustainability

We are proud to announce that **Progress Lawn and Leaf Bags with 20% Post-Consumer Recycled (PCR) Content** have been honored by two of the most respected industry publications—**Store Brands Magazine** and **Progressive Grocer**—in their 2024 Editors' Picks awards.

Silver Award – Store Brands Editors' Picks

Editor's Selection – Progressive Grocer Editors' Picks

These recognitions celebrate Progress's commitment to **environmental stewardship, product innovation, and performance excellence** in the household essentials category.

The Latest Technology

A new flex option that can go toe to toe with national brands!

Our trueFLEX technology offers uncompromising resistance to leaks, rips, and tears.

Comprehensive Customized Solutions

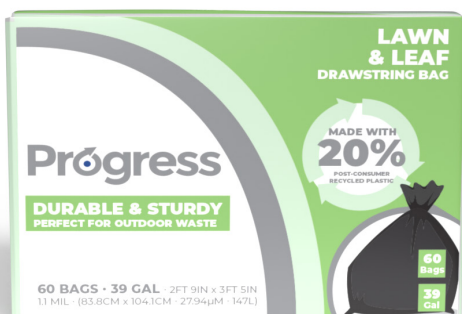

We are to offer trash bags of all sizes, closure styles, colors, recycled material content, and scents to meet our customers' needs.

Post Consumer Recycled Content We can help you comply with all Regulations by producing all trash bags with 0-100% recycled content.

Scented Flex Trash Can Liner

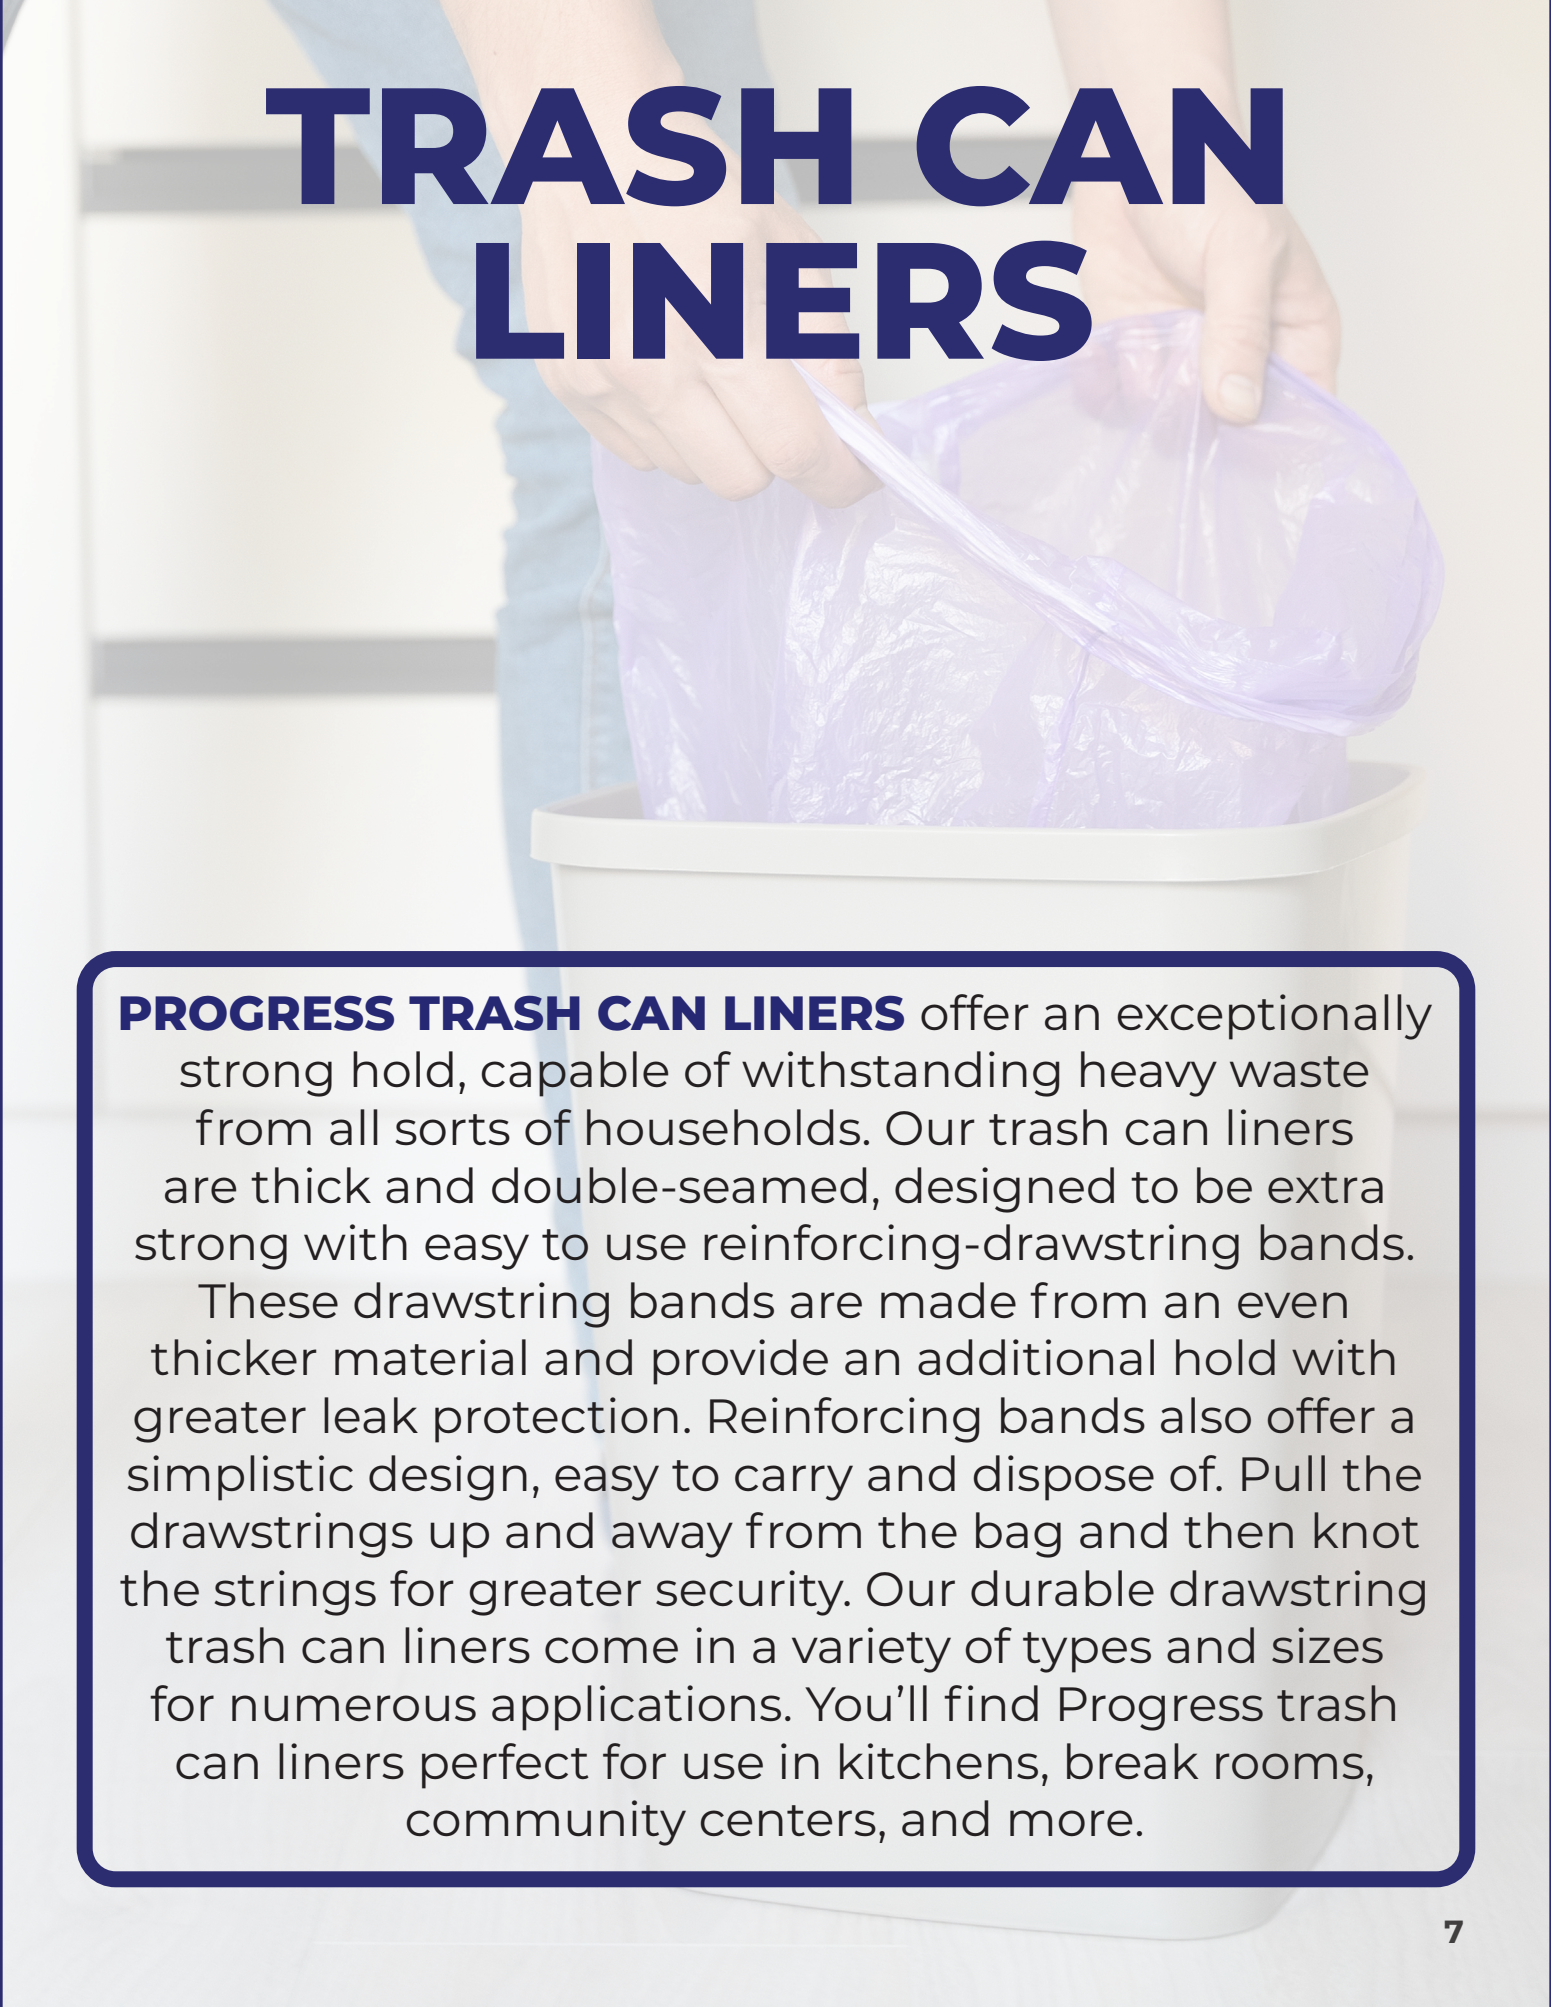

Our team has engineered the ultimate trash bag! Flex technology accommodates heavy loads without punctures or leaks together with fragrances that offer a revitalizing burst of freshness. Ask us about our private label & customization capabilities.

Up to 100% Post-Consumer Recycled Content (PCR)

With regulations mandating PCR content in some states, we are proud to offer certified recycled content in our trash bags. Now offering recycled content from 0-100% in all sizes and styles!

TRASH CAN LINERS

PROGRESS TRASH CAN LINERS offer an exceptionally strong hold, capable of withstanding heavy waste from all sorts of households. Our trash can liners are thick and double-seamed, designed to be extra strong with easy to use reinforcing-drawstring bands.

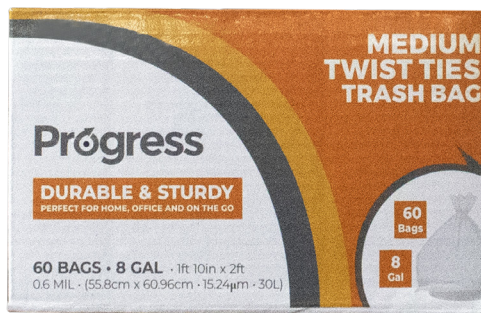

These drawstring bands are made from an even thicker material and provide an additional hold with greater leak protection. Reinforcing bands also offer a simplistic design, easy to carry and dispose of. Pull the drawstrings up and away from the bag and then knot the strings for greater security. Our durable drawstring trash can liners come in a variety of types and sizes for numerous applications. You'll find Progress trash can liners perfect for use in kitchens, break rooms, community centers, and more.
